

Aloha, Everyone. Although it is not Friday, I am sending this weekly repost because tomorrow is an observed holiday for King Kamehameha Day. King Kamehameha Day is a state holiday celebrating King Kamehameha the Great, the first ali'i to unify all Hawaiian islands. There are state-wide celebrations to honor him, which consist of leiing ceremonies and parades. The King Kamehameha Floral Parade will be on Saturday, June 11th. It begins at Iolani Palace at 9:00 am and concludes at Kapiolani park at 1:00 pm. If you haven't seen this parade before, I think it is a beautiful parade and enjoy watching it growing up.

Theft Incident: Two weeks ago, a resident's tires were stolen from their car at around 8:00 am. Another resident's catalytic converter was stolen, possibly by the same person. We found a possible suspect who did this but did not catch video footage of him committing these crimes. This man was seen driving throughout the parking structure and left cinder blocks in a resident's stall the week prior. He later used these cinder blocks for tire removal. However, we did not find this same vehicle on security footage the day of the theft incident and believe he might have used a different car.

Garage Security: With recent theft incidents, many residents have asked about the garage gate. We have moved this project forward (previously scheduled for 2024) to high priority and are looking into this now.

- As a smaller solution until the gate is completely installed, we will be installing three more cameras in the garage, so all areas of the parking structure are covered.
- In addition, we will be replacing the decal stickers for your vehicles in order to remove the building's name. For now, you may remove the decal stickers from your car if desired. We are expected to receive the new decals in two weeks. I will notify you when they come in.

Mangos: For those who did not know, we have a mango tree in our garden. Many mangos are now falling, so if you would like to collect some or if you are able to pick some, you are more than welcome to help yourself. We currently have a basket of today's picked mangos in front of the office; they are on a first-come, first-serve basis.

Refuse & Recycling: Please dispose of all trash down the trash chute or walk them down to the trash corral. Recyclables should be thrown in the recycling bin located near the security booth in the ground-floor parking structure.

- Do not throw large and heavy items down the trash chute.

- Do not leave trash or recyclables in the trash room.
- Bag your trash, especially glass items; it is a safety hazard.
- If disposing of items in the trash corral, please open the gate and place your trash in the bin, especially those who throw away dog feces.
